- Sizes approx 120mm x 75mm x 60mm (LxWxH)

Cpack's latest developments in film overwrapping technology have resulted in the **CO4000**. By utilising the same advanced computer control combined with servo technology our machine provides unparalleled flexibility, adaptability & performance. Providing a strong envelope fold to ensure your products are securely sealed.

Ideal for rectangular and square products of varying sizes and with production speeds of up to 70 products per minute, the **CO4000** represents tomorrow's technology today.

**WORLD-LEADING PACKAGING MACHINERY  
DESIGNED & BUILT IN THE UK**
