## L300 L-SEALER FLEXIWRAP

### Features

- Clip-On Film Feed & Product Tables
- Single-Phase Power
- Manufactured in the UK by C Pack
- Hygienic Stainless Steel Construction
- 300x300mm L-Seal Area
- Ergonomically Designed
- Energy-Efficient Heating System
- Quality Unit
- Digital Timer with Buzzer

The CPack L300 L-Sealer Flexiwrap is our latest quality modular table top L-Sealing solution to our catering range. The L300 is manufactured from hygienic stainless steel suitable for food and non-food products with wipe-down cleaning, plus optional clip on attachments to suit your needs. Sealing can be pre-set to your product using the integrated timer, resulting in a simple to use machine. With our new energy-efficient heating system, minimum power consumption and no blind sets mean running costs are lower than ever.

**Contact us today at [info@cpackltd.com](mailto:info@cpackltd.com) or tele 01282 422485**

The L300 L-Sealer Flexiwrap's modular design provides added flexibility, allowing you to customise the system to your requirements.

Simply connect the desired unit to your machine and you are ready to seal.
