SPECIAL THINNER INFORMATION SHEET

Product Description: Whittle Waxes Special Thinner

Specially formulated for thinning, cleaning, and degreasing Whittle Waxes products

Thinning: stir in small portions (e.g. no more than 5%). We often recommend thinning with Whittle Waxes Primer as it does not alter as much the efficiency of the products. Please contact us as each case is unique.

Cleaning and degreasing: Our special thinner is an ecologically friendly alternative to white spirit.

Soiled Surfaces: Please contact before using special thinner for soiled surfaces, we will often recommend preparation cleaner, and again each case is different.

Ingredients: Isoaliphates, naphta (raw oil), hydrogenated, heavy

(EINECS: 265-150-3)

Container sizes: 0.75 L, 2.5 L, 10 L,

Storage: Cool but frost-free. 2 years shelf-life in unopened containers. Close container airtight after use.
