109947 LANTERN MONTICELLO

ASSEMBLY INSTRUCTION

ZOOM

Turn off the electricity supply at the main circuit panel before installing.
Do not connect the electricity supply until your luminaire is fully assembled and installed.

Fix the ceiling plate (A) to the ceiling by using mounting plugs and screws suitable to your ceiling type. Make sure to lead the wire through the plate.

Hang the lantern on the hook of the ceiling plate with the canopy (B) at the lowest position. Carefully lower the lamp until the chain is taut. Straighten the chain links.

Connect the 3 power wires according to their colours . Brown is the live wire, blue is the neutral wire, green/yellow is the earth wire.

Move the canopy up until it is flush with the ceiling, tighten it with the screw on the side (C).

CARE INSTRUCTION

Wipe clean with soft, dry cloth.

Always avoid the use of harsh chemicals or abrasive cleaners as they may cause damage to the fixture's finish.
