## **Welcome to the world of Electrocompaniet!**

We thank you for choosing an Electrocompaniet high-end product.

At Electrocompaniet we are relentlessly focused on developing audio equipment that is capable of bringing the fabulous experience of the concert hall into the very heart of your home.

Our aim when developing and testing new products is to ensure that the wonderful richness of tone and every nuance of feeling and emotion of a piece of music is delivered to you just as the artist intended.

We continually strive to give you the very best musical listening experience available whatever your preferred musical genre.

Sincerely yours,  
The Electrocompaniet team

## **Unpacking the SPIDER**

Immediately upon receipt of the SPIDER Clamp, inspect the carton for possible damage during shipment. The carton and packaging have been designed to provide the safest possible protection for the transport of your product. Unpack the unit carefully. Save all packaging materials for future shipment.

## **If Service is needed**

Our dealer will have all relevant information regarding the service centers in your area, and will ensure that your unit is serviced with minimum delay. It is our general policy to have your unit returned to you within five working days. This is an average time and can vary locally, depending on the workload at that particular service station. If, for some reason there are no service facilities available in your country, contact Electrocompaniet support first.

If requested to do so by technical personnel, please ship the unit to the following address:

Electrocompaniet AS,  
Teknologivegen 2  
41200 Tau,  
Norway

Web: [www.electrocompaniet.com](http://www.electrocompaniet.com)  
Service department:: [support.electrocompaniet.com](mailto:support.electrocompaniet.com)

The end user is responsible for all shipping charges, insurance, re-import and duty charges.

When shipping a product to the factory for service, always include the following:

1. A sales slip or other proof of purchase if repair is claimed under warranty.
2. A proforma invoice with value of goods, stating that the Spider Clamp is returned to Norway for repair.
3. An accompanying letter describing faults, symptoms, or problems with the unit.
4. Always ship the unit in its original carton and packaging material to prevent damage in transit.

Electrocompaniet will not cover damages incurred in transit. If you require further information concerning the operation of the unit, or if you have any questions related to service, please do not hesitate to contact your dealer or your national distributor.
