Introduction/Contents/Warnings	2
Assembly Instructions/Illustrated Parts Breakdown.....	3,4
Warranty.....	5

NOTE: Refer to the Original Equipment Manufacturers instructions that came with your DISC for Assembly and Warnings. Failure to read and understand all assembly and warning instructions can result in serious injury or death.

ALWAYS make sure you wear safety gear while operating your ATV/UTV .

ALWAYS read and understand the manufacturer's **WARNINGS & INSTRUCTIONS** before using the ATV/ UTV DISC. Maintain the **WARNINGS & INSTRUCTIONS** for later review as needed, for instructions on usage to anyone borrowing or using your ATV/ UTV DISC, or to pass on when selling the it.

Never exceed the manufactures weight rating of your ATV/UTV hitch . If you are unsure , always refer to the ATV/ UTV owners manual.

ALWAYS use CAUTION when operating any ATV/UTV with accessories or additional implements secured to the ATV/UTV.

DO NOT allow any passengers on the ATV while using implements .

CAUTION excessive speeds can cause serious injuries or death. **DO NOT** exceed 5 mph when using the Disc. Keep hands and feet clear from all moving parts .

DO NOT use any implements the carry any persons .

NOTE additional weight may be needed to help provide proper weight distribution .

DO NOT place yourself or any parts of your body under , between or on any part of any implement being used . Use **CAUTION** when removing and replacing implements that are heavy . Assistance may be required .

INSTRUCTIONS, please contact the manufacturer.

NEVER operate your ATV/UTV on steep inclines while using the DISC , tipping or roll overs can occur .

Inspect all nut and bolt assemblies, hardware, and components for damaged, missing, or loose parts.

Inspect for any structural damage to product. (Return to factory for repair or discard product if any damage is found.)

Inspect entire product for any rust, corrosion, cracks, freezing, excessive heat or rotting damage that may affect the safety of your product. Discard any questionable product.

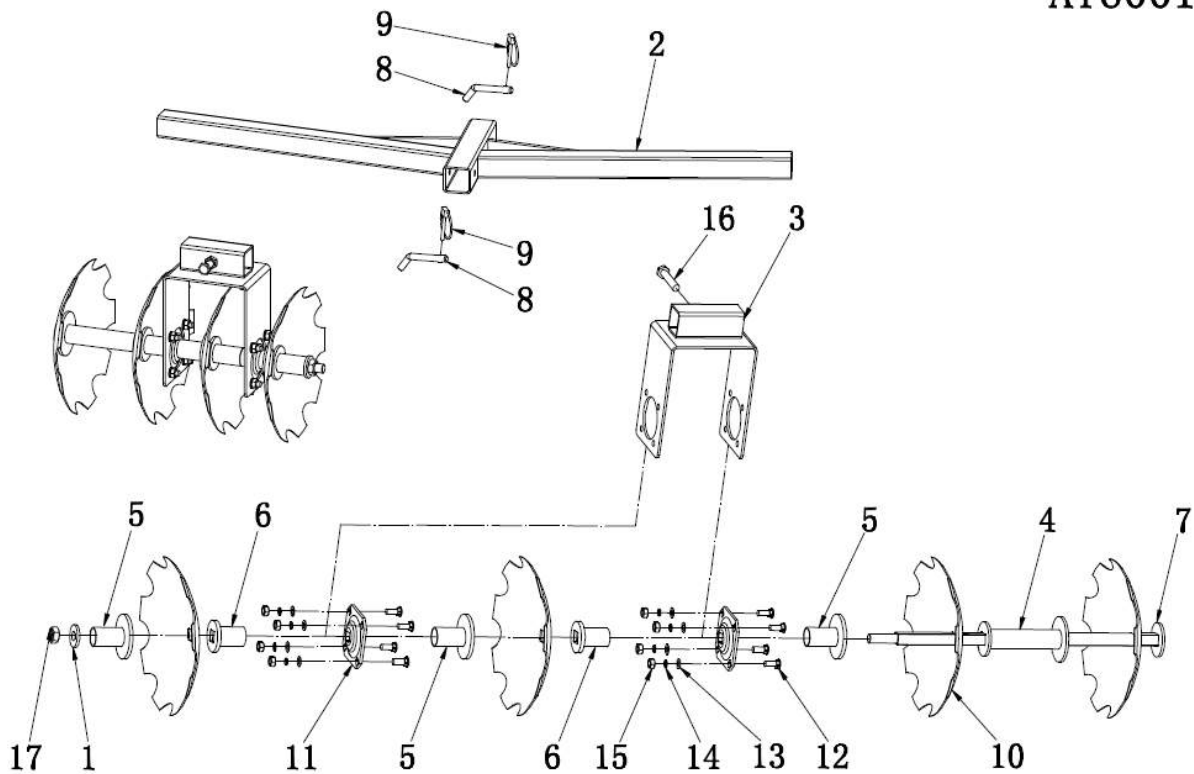

Inspect entire product for any structural damage - pay close attention to all weld locations. (Return to factory for repair or discard product if any damage is found.)

Using correct wrenches inspect all nut & bolt assembly locations and snug up any that may be loose.

Be careful not to crush tubing when tightening!

LIMITED WARRANTY POLICY

Limited Warranty Periods

- **Hunting Equipment:** 1 Year (12 months) from the date of purchase.
- **Trailer Products:** 1 Year (12 months) from the original date of purchase.
- **Hydraulic Cylinders, Rams, Hose Assemblies, and Fittings:** 2 Years (24 months) from the date of purchase.
- **Sub-component Items:** Many sub-component items are warranted separately by the respective manufactures and are covered by warranty of their manufacturer. Examples of such items may include safety harnesses and tie-down systems, wheels, tires, axles, bearings, lights, straps, chain, hardware and like items. The sub-components original manufactures product warranty supersedes and takes precedence over this limited warranty policy.

NOTE: ALL WARRANTY CLAIMS MUST BE PREAPPROVED BY THE MANUFACTURER (THE COMPANY) TO BE VALID.

Products are warranted to be free of defects in materials and/or workmanship for the warranty period. Under this limited warranty, the Company shall be limited to repairing or replacing, at its option, for the warranty period, those parts returned to the factory, freight prepaid, which in the opinion of the Company shall prove to be defective in materials or workmanship, under normal use and service. This warranty will not apply unless the product is installed, used and maintained in accordance with the Manufacturers installation, operation and maintenance instructions.

This warranty applies to the **ORIGINAL** purchaser only, and is non-transferable. The Company warrants the products to be free of defects in material and workmanship but, does not cover normal maintenance or adjustments, damage or malfunction caused by: improper handling, installation, abuse, misuse, negligence, carelessness of operation or normal wear and tear. In addition, this warranty does not cover equipment when repairs or alterations have been made or attempted without the express written consent of the company. Product repairs not covered by the warranty, and product updates, will be provided at the prevailing rate.

The Company is not responsible for damage caused by accident, negligence, abuse, overloading, misapplication, or misuse of the products. It is solely the purchaser's responsibility to determine the suitability of these products for the particular application. **Limitations:** All other obligations or liabilities, including incidental or consequential damages or contingent liabilities arising out of the failure of any parts to operate properly are hereby excluded, including but not limited to any damages resulting from loss of use, inconvenience, loss of time, commercial loss, or any other type of damages general or specific, foreseen or unforeseen, unless applicable state law provides otherwise.

THIS WARRANTY IS EXCLUSIVE AND IS LIEU OF ALL OTHER WARRANTIES EXPRESSED OR IMPLIED INCLUDING ANY IMPLIED WARRANTY OR MERCHANTABILITY OR ANY IMPLIED WARRANTY OF FITNESS FROM A PARTICULAR PURPOSE, AND ALL SUCH IMPLIED WARRANTIES ARE EXPRESSLY EXCLUDED.

THE REMEDIES DESCRIBED ARE EXCLUSIVE AND IN NO EVENT SHALL THE COMPANY, NOR ANY SALES AGENT OR OTHER COMPANIES AFFILIATED WITH IT OR THEM, BE LIABLE FOR SPECIAL CONSEQUENTIAL OR INCIDENTAL DAMAGES FOR THE BREACH OF OR DELAY IN PERFORMANCE OF THIS WARRANTY. THIS INCLUDES, BUT IS NOT LIMITED TO, LOSS OF PROFIT, RENTAL OR SUBSTITUTE EQUIPMENT OR OTHER COMMERCIAL LOSS.

This warranty shall be governed by the laws of the State of Texas, and shall be subject to the exclusive jurisdiction of the Court in the State of Texas in the County of Tarrant.

RETURNS: Products may not be returned without written approval (Return Material Authorization) from the Company.
