## pH NEUTRAL CITRUS CLEANER N-20

### DESCRIPTION

A pH neutral, all naturally derived, water dilutable cleaner/degreaser. Replaces corrosive, caustic, and Butyl based cleaners that can instantly burn skin or permanently damage internal organs. Outperforms traditional water-soluble degreasers. May be disposed of into sewers without pH adjustment. A tremendous spray and wipe cleaner.

### DIRECTIONS

Spray on surface to be cleaned. Allow product to stand a few minutes and then wipe off with a clean towel, rag, or sponge. Rinse if desired. Adjust dilution rate according to application and severity.

### ENVIRONMENT AND HEALTH

- Non-Toxic
- All ingredients are biodegradable
- Biodegrades into harmless natural elements without forming micro-toxins
- Contains no hazardous ingredients as per OSHA regulations
- Free of petroleum distillates, butyl ether, ammonia, chlorine, phosphates, benzene, pine oil or strong acids
- Free of all known or suspected carcinogens
- Gray water safe, septic tank safe, biodegradable without effluent treatment process

### ANIMAL RIGHTS

- Cruelty Free
- Contains no animal ingredients
- Has not been tested on animals

### PACKAGING

- This product is packaged in plastic that is recyclable and may contain up to 25% recycled plastic materials
- Shipping boxes may contain up to 50% post-consumer waste
