NON-TOXIC LIME & SCALE REMOVER N-31

DESCRIPTION

A naturally derived cleaner made from replenishable natural resources. Pleasant smelling, non-fuming, mild acidic cleaner. Cleans, descales coffee and tea pots, ice makers, sinks and makes porcelain fixtures and fiberglass showers sparkle. Contains the largest amount of natural citric acid possible. Natural clinging action saves product waste. Outperforms homemade vinegar cleaners and other naturally derived products.

DIRECTIONS

Apply directly to lime and scale, allow to stand for 20 to 30 minutes, scrub, and rinse.

Run through automatic drip coffee makers as is, using 1 cup per cleaning. Run a full pot of water through the maker after cleaning.

Do not use on natural stone or marble.

Do not let sit on metal. May be used to scrub but rinse immediately.

ENVIRONMENT AND HEALTH

- Non-Toxic
- All ingredients are biodegradable
- Biodegrades into harmless natural elements without forming micro-toxins
- Contains no hazardous ingredients as per OSHA regulations
- Free of petroleum distillates, butyl ether, ammonia, chlorine, phosphates, benzene, pine oil or strong acids
