## DRAIN & SEPTIC TREATMENT N-43

### DESCRIPTION

This special blend of bacterial enzymes and detergents breaks down, digests, and liquefies organic matter into their simple natural state. Effective on carbohydrates, blood, fats, feces, greases, starches, urine, and many other organic toxic wastes. The enhanced anaerobic performance gives excellent results in drains, grease traps, and septic systems by digesting and liquefying blockages and buildups.

### DIRECTIONS

#### SHAKE JUST BEFORE USE TO ENERGIZE BACTERIAL ENZYMES.

- Drain Treatment: Use 4 oz in each drain weekly. For best results, allow product to stand for several hours.
- Septic Treatment: Use 8 oz per month. Increases bioactivity in septic tank and leech field.
- Grease Traps: Use 4 oz twice weekly at end of day. For best results, allows product to work overnight.
- Urinal Odor: Spray in and around urinal after cleaning. Product will continue to eliminate odor for several days.
- Porta-Potty: Use 4 oz per unit daily

### ENVIRONMENT AND HEALTH

- Non-Toxic
- All ingredients are biodegradable
- Biodegrades into harmless natural elements without forming micro-toxins
- Contains no hazardous ingredients as per OSHA regulations
- Free of petroleum distillates, butyl ether, ammonia, chlorine, phosphates, benzene, pine oil or strong acids
- Free of all known or suspected carcinogens
- Gray water safe, septic tank safe, biodegradable without effluent treatment process

### ANIMAL RIGHTS

- Cruelty Free
- Contains no animal ingredients
- Has not been tested on animals

### PACKAGING

- This product is packaged in plastic that is recyclable and may contain up to 25% recycled plastic materials
- Shipping boxes may contain up to 50% post-consumer waste
