## AIR FRESHNER & DEODORIZER N-4

### DESCRIPTION

A water-based air freshener and deodorant. Contains a special mal-odor counteractant that instantly eliminates odors from smoke, fish, food, mildew, pets, and virtually any organic odor. Eliminates odors without masking. Natural fragrance is not overpowering. Spray works in the air for hours. An excellent carpet and fabric deodorizer. Perfect for smoke-filled rooms. Use when and where odors are a problem.

### DIRECTIONS

Spray directly into the air toward the center of the room at a height of about 7 feet until fragrance is noticeable. May be applied directly to odors caused by garbage, feces, urine, vomit, etc. Repeat if necessary.

**Carpet, Fabric, & General Deodorizing:** Use ½ to 2 oz per gallon of water or mix with other cleaning products. Truly effective deodorizing is dependent upon the type of mal-odor. Experimentation with dilution ratios is suggested to achieve optimum performance and economy.

### ENVIRONMENT AND HEALTH

- Non-Toxic
- All ingredients are biodegradable
- Biodegrades into harmless natural elements without forming micro-toxins
- Contains no hazardous ingredients as per OSHA regulations
- Free of petroleum distillates, butyl ether, ammonia, chlorine, phosphates, benzene, pine oil or strong acids
