# Gifting Services

**Custom Gifts**: Sourced products (branded or otherwise) specifically for your gifts. This option requires a minimum of 50 and must be purchased in-full, in advance. You still have the option to send the gifts as needed, we just reserve/store the products for you and send you a link to order your custom gifts whenever you like! **Lead time is 3-5 weeks.** 

**Semi-Custom Gifts**: A mix of products that we carry and 1-2 custom branded items. You provide us with 1-2 branded products that you source/order on your own and we add a few products from our inventory. There is no minimum requirement here, we just charge an additional \$5 for each branded item that you want to include. If you do not want to include any branded products, we can potentially source 1-2 products that we don't currently carry. **Lead time is 1-3 weeks if sourcing custom products.** 

**Pre-Curated + Branded Collateral Gifts**: This option is the simplest — you choose a box from our <u>Curated Collection</u> and we can incorporate your logo with branded belly bands, hang tags, stationery and/or inserts. We only require a minimum of 25 for the branded collateral (don't worry, if you don't need that many gifts right now we can hang on to the branded collateral for you for future gifts!) **Lead time is 5-7 days.** 

### Branded Collateral

### + Products

All we need is a high-res version of your logo and we'll handle the rest! Pricing includes full color. You can also provide us with your own collateral and we will include it for no extra charge.

Hang Tags: \$1/each plus a one-time \$15 design fee; minimum of 25 required; circle, square or rectangle shapes and various sizes available

**Belly Bands:** \$7/each (price goes down the higher the quantity) plus a one-time \$25 design fee; minimum of 25 required; matte or glossy finish available

**Branded Stationery:** \$1/each plus a one-time \$25 design fee; minimum of 25 required. This includes a handwritten or printed message.

**Branded Collateral + Product:** \$1/each if you provide the artwork or \$1/each if we design plus a one-time \$50 design fee (can be one or double-sided)

White Label Gifts: An additional charge of \$8 per gift to remove our Bon Vivant branding (this means our logo won't be on anything and we can even remove it from the shipping label return address if you like.)

### Our Process

#### Introductory Call

A phone call to discuss all the details, answer any questions, figure out your budget and timeline.

## Final Details

We send an initial invoice for the estimated amount and get you locked into our production schedule. Order/reserve all product for you as soon as that invoice is paid.

#### Follow Up

We send over tracking and a final invoice for shipping that's adjusted for any changes that occurred since the initial invoice. We're happy to send over final photos, along with a survey to get your feedback on how your gifts were received!

#### Proposal

The team puts together a detailed proposal for you that includes mockups and pricing within 1-3 business days (unless otherwise specified). We get your feedback and make any requested changes.

#### Fulfillment/Delivery

You provide us with recipient names/addresses and card messages in our template; we also request your high res logo if you're including any branded collateral or products that we're sourcing.

## Shipping + Delivery & Returns:

- We offer free local pickup at our studio in 78704
- We offer local delivery for orders of 25+ and rates depend on delivery location
- We ship via USPS, UPS or FedEx and typically choose the least expensive unless you request a particular carrier. We are happy to use your shipping account as well, just let us know!
- We do not ship internationally, but we can make exceptions if you have a shipping account that we can use.
- Returned boxes are subject to an additional charge of \$20, depending on the carrier. This includes returns due to bad address, undeliverable/unknown and package refusals.
- We are happy to hold extra boxes if you're still waiting on addresses for up to 2 weeks; after that we charge \$10/day to hold them.
- Lost/Stolen packages are handled on a case-by-case basis. We always work with the carrier to file a claim and track the package down immediately and if we don't have any luck within 14 business days, we will work with you to make it right.
- If any boxes or contents arrive damaged, we take full responsibility. We will be happy to replace the item(s) or offer a refund on a caseby-case basis.
