

CAREER OPPORTUNITY

Job Title: Service Tech – Full-time hours
Work-term: April 2024 through to October 2024 – approx. based on season
Reports To: Service Manager
Location: Aylesford, Nova Scotia
Pay Rate: \$16 to \$20 / Hour

ABOUT You

Do you like to work with your hands? Are you an energetic, enthusiastic, and hard-working person with a positive attitude? Then this job is for you. Join our experienced team of service and construction professionals in a fast-paced and fun industry. The right candidate for the position is reliable, experienced with hand tools and has a strong work ethic.

Position Overview

Our Service Tech position works in a team of two or more, delivering and installing hot tubs, servicing installed hot tubs with another experienced Service Tech, assisting in construction projects, and a wide range of service and construction related tasks. Each day includes travelling to a new job site to provide the highest level of service to our valued customers.

For the right candidate, this position is meant to be a returning role each pool season, giving the flexibility of having winters off.

General Responsibilities

- Loading and securing hot tubs and accessories for transport
- Assisting with installation of hot tubs and related equipment
- Carrying tools and accessories in and out of job sites
- Ensuring a tidy and professional job site
- Troubleshooting and minor maintenance
- Assisting with construction projects
- Service and construction related tasks as required

Working Conditions and Physical Requirements:

This position works from our Aylesford location, and travels to job sites from there in a company vehicle as paid time. Workdays start at 7AM in-season (a little later at the very beginning and very end of the season) and the workday goes until the work is done. Monday to Friday are the general work days, with occasional weekend work required if we fall behind due to weather. General construction site tasks, including the ability to lift and carry at least 50 lbs.
