

Todd Reed is an American luxury brand renowned for creating bespoke jewelry and high art. Every piece Todd designs is hand-forged in our studio in Boulder, Colorado, using select materials and ethically sourced, conflict-free stones.

The master jewelers meticulously make every piece by hand, employing classic and modern metalsmithing techniques. Each piece is one-of-a-kind and built with the most exquisite craftsmanship to create exclusive and highly collectible objects.

All Todd Reed bespoke jewelry and art objects are designed and forged in our metalsmithing shop using the finest craftsmanship and luxury materials.

FDJESPKA

TODD REED®

“ I’m inspired by the mundane. The things that are the most ordinary are the things that I am most drawn too. A sunset, a shadow, a ripple in a pond, a short meaningful conversation, a passionate moment; the way a horse tail softly brushes away an irritating fly, the way ice melts. To me there is so much wonder in the obvious, or the things that are already present.

— **TODD REED**

Our master jewelers meticulously make every piece by hand, employing classic and modern metalsmithing techniques.

“If a theme song
played every time
I walked into a
room, it would be
Three Little Birds
by Bob Marley.
