

The 90 Minute Crochet Beanie Pattern

This very easy and super speedy beanie crochet pattern that is also very beginner-friendly. Whether you're new to crocheting or just last minute crochet project, this free beginner crochet hat pattern is astonishingly easy.

If you can crochet a rectangle, you can make this simple unisex beanie pattern! If you know double crochet and seaming, then this 1 1/2 Hour Beanie free crochet pattern designed by Jess Coppom from Make & Do Crew, will be easy for you to do.

This pattern also comes with a video tutorial to walk you through the skills step-by-step. The Tutorial is from Make and Do Crew.com. Click this video link: <https://youtu.be/s5Mzi0zpS-k>

Supplies You'll Need Are:

A 12 Ply Fibre in the colour of your choice. Jess has used Lion Brand Colour Made Easy (Weight: 5/bulky – 247 yds, 7 oz) – 1 ball – Colours pictured are: Millennial (195-194), Huckleberry ((195-110) and Alabaster (195-098)

- Tapestry needle
- Size L (8 mm) crochet hook
- Stitch markers or safety pins
- Fur pom-pom or pom-pom maker/small piece of cardboard

Tension Gauge:

5.25 rows = 4"

11 dc = 4"

Note: Tension gauge is important for the hat so please create a tension square to check your hook and yarn otherwise pattern may finish in another size.

Abbreviations and Glossary (US Terms):

ch – chain

dcblo – double crochet through the back loop only

tch – turning chain

st – stitch

sk – skip

RS – right side

WS – wrong side

rep – repeat

Notes:

- Pattern is written in smallest size with larger sizes following in parenthesis. Preschool (Child, Adult)
- Depending on your crochet experience, plan for the pre-schooler size to take about an hour to create and the larger sizes 15-45 minutes longer.
- To substitute a yarn, try holding two strands of worsted weight together. In this case, it's a good idea to make a small gauge swatch to ensure the hat will fit.

Main Hat Rectangle:

Notes:

- Hat is worked back and forth in rows and seamed at the end. These rows will become the vertical ribs on the hat.
- The ch 3 at the beginning of each row doesn't count as a st.
- After Row 1, the double crochet stitches are worked only under the back loop of the stitch from the previous row. This is always the loop farthest away from you, regardless of which side of the crocheting is facing you. (This is called dcbl.)

Foundation Row: Ch 30 (34, 42).

Row 1: 1 dc in the fourth ch from the hook and each ch to end of row; turn. (27 (31, 39))

Row 2: Ch 3, dcbl in each dc to end of row; turn. (27 (31, 39))

Rep Row 2 20 (22, 24) more times to create a total of 22 (24, 26) rows.

Fasten off, leaving a 24" tail.

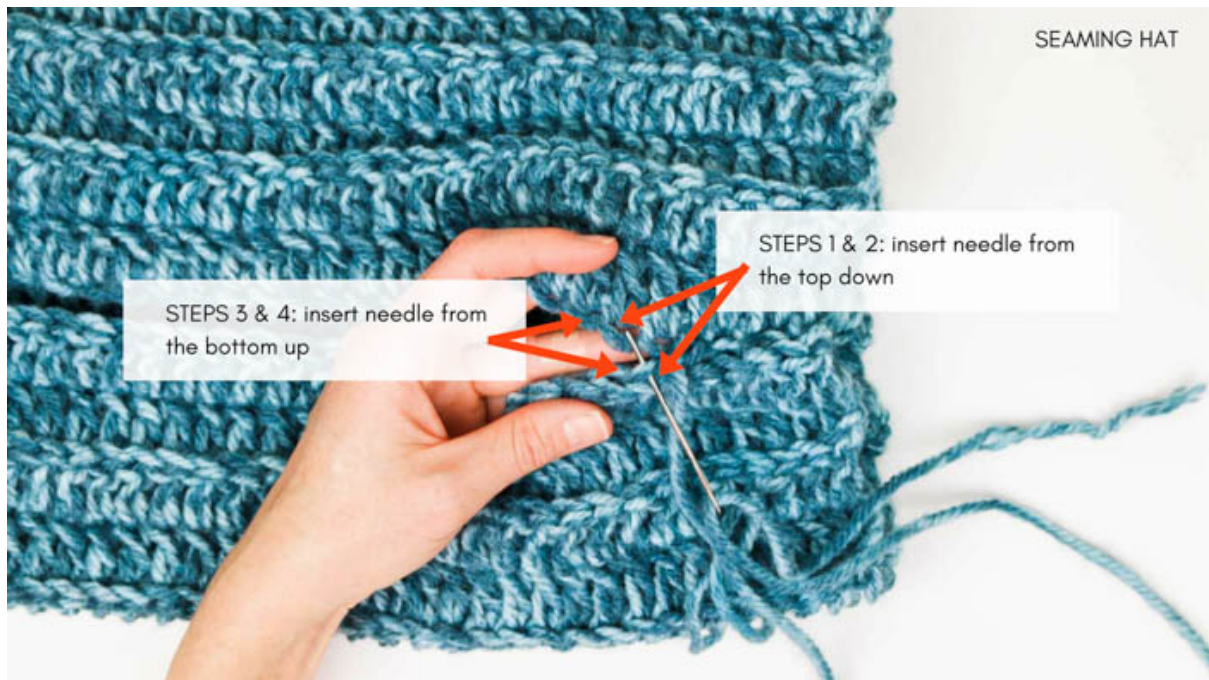

Rectangle dimensions should be approximately:

Preschool: 16.75" x 9.75"

Older Child: 18.25" x 11.25"

Adult: 19.75" x 14.25"

Notes on sizing: This pattern is quite forgiving in fit. If a slouchier fit is desired, create foundation chain for next size up, but work total number of rows for appropriate size. This will require additional yarn.

Seaming Rectangle:

Notes:

- To determine the RS and WS of your fabric:

If you're right handed, the tail of your final row should be on the bottom left when the WS is facing.

Left-handed crocheters: the tail of your final row should be on the top left when the WS is facing. (See photo above.)

- To best disguise the join, seam is worked only through the chain stitches and the loop of each dc st that is closest to the seam.

Whether you're new to crocheting or just last minute crochet project, this free beginner crochet hat pattern is astonishingly easy. If you can crochet a rectangle, you can make this simple unisex beanie pattern! Full torque pattern and tutorial from [Make and Do Crew.com](http://MakeandDoCrew.com).

Lay rectangle horizontally with WS facing up. Use stitch markers or safety pins to pin seam if desired.

Thread tapestry needle with tail from fastening off. Work from the top of dc st into top of corresponding Ch. Then work from bottom of next ch into the bottom of the next corresponding dc. Continue like this through the top of one dc to the top of one ch and then through the bottom of one ch and the bottom of one dc. Repeat until end.

Tie a simple sewing knot by inserting needle in crochet fabric to create a loop of yarn, then inserting needle through loop of yarn and pulling tight. This will prevent seam from puckering in next step. Do not fasten off.

Closing Top:

Using tapestry needle and strand of yarn leftover from previous seam, whip stitch around the top of the hat, working one whip stitch into each crochet row. Tighten circle and use tapestry needle to sew up any remaining opening in top of hat.

Attaching Pompom:

Create a pompom with a large pompom maker or 2.5" piece of cardboard.

See a step-by-step pompom tutorial here.

Link: <https://makeanddocrew.com/how-to-make-a-pom-pom/>

Use tail from seam to sew fur or yarn pompom to hat.

Fasten off and weave in ends.

Pop your new ribbed beanie on your noggin' and get to work on making one for everyone you know.
