

AirShield That's Nice

Metered Air Care Systems

Description:

Caskade AirShield combines an effective disinfectant with a pleasant lingering perfume to destroy airborne bacteria and freshen up living and working areas. AirShield is effective against most common odours including cooking smells, mustiness, cigarette, and cigar smoke. This is also a surface spray disinfectant - hospital grade. Highly effective alcohol-based sanitiser which also contains our Unique disinfectant to give additional sanitising power.

AirShield is a 3in1 Surface Disinfectant & Air Sanitizer that kills 99.9% of germs, bacteria, viruses and fungi on hard, non-porous surfaces. It disinfects and deodorizes by killing common germs and controlling their odors. It works to eliminate odors in the air by killing odor-causing bacteria, and also prevents odors at their source caused by germs, bacteria and mildew. AirShield 3in1 also deodorizes soft surfaces.

24 Hour toll free emergency phone no: 0800 243 622
