CHERRY BLOSSOM

H14

DUAL ACTION DISINFECTANT AND AIR FRESHENER

DESCRIPTION

Cherry Blossom is a dual action cleaner. It is a neutral detergent containing specially formulated perfume oils with a high residual nature which masks obnoxious odours. It is safe to use on all washable surfaces and it is compatible with Tasman's floor finishes.

AS A CLEANER / DEODOURISER - Cherry Blossom's powerful detergent removes dirt and grime from all washable surfaces with considerable ease.

AS AN AIR FRESHENER - Cherry Blossom has a specially selected perfume having long lasting residually by slowly releasing the fragrances over an extended period.

APPLICATION

In confined spaces Cherry Blossom together with its mild disinfectant properties freshens and deodorises by masking obnoxious odours and giving a fresh clean appeal to treated surfaces. Cherry Blossom is ideally suited to toilets, washrooms and other areas where odours are a problem.

FEATURES & BENEFITS

- Multi-functional
- Cleans, sanitises and deodorises in one application
- Contains a broad spectrum bactericide
- Contains a high residual perfume
- Leaves a fresh long lasting fragrance
- Based on mild detergents
- Phosphate-Free formulation
- Safe of all surfaces.
- Fully biodegradable

DIRECTIONS FOR USE

1. AS A DEODORISER

Add 1 part of Cherry Blossom to 40 parts water. Mop or swab the area to be cleaned. Take up the excess moisture and allow to dry.

2. AS A AIR FRESHENER

Add 1 part of Cherry Blossom to 3 parts water and spray a fine mist towards the ceiling.
