

READY TO USE

ENVIROPASTE

EVERYDAY, ALL-PURPOSE GENERAL PURPOSE CLEANER

Naturemade® Enviropaste is a biodegradable natural-based general cleaning paste with a light abrasive for cleaning all bathroom, janitorial and toilet areas where a deep manual clean suits the surface, soiling type and soiling level.

Scan the QR code to see Enviropaste in action.

- Biodegradable
- Natural ingredients*
- Light abrasive action
- Suits most manual-type cleaning environments
- Light fragrance
- Environmentally responsible**

Directions for use:

Apply with a damp sponge or cloth with a gentle circular motion. Rinse thoroughly. Enviropaste has a light abrasive base, and should always be tested on a small spot before deep or extensive cleaning to ensure results are acceptable. Secure lid when not in use.

* Manufactured with oils from RSPO (Roundtable on Sustainable Palm Oil).
Details about the program are available at: www.rspo.org/en/home
