

Stokolan® Light PURE

Skin Conditioning Cream

PRODUCT DESCRIPTION

Lightly textured skin conditioning cream to help care for normal to dry skin. Perfume-free and dye-free.

WHERE TO USE

For use by those with moderate skin dryness from daily working in industrial, food handling, healthcare, office and commercial areas.

INSTRUCTIONS FOR USE

- Apply 1ml to clean and dry skin prior to extended breaks and at the end of the working day.
- Rub on all areas of the hands, including between the fingers and around the fingernails.
- Can also be used on the face.

After-work skin care creams help to maintain the skin in good condition keeping it strong and healthy, avoiding dryness. Using care creams is an important element in skin care best practice.

FORMAT: **CREAM**

FEATURES	BENEFITS
Non-greasy formula	Designed for normal to dry skin to absorb and leave no greasy afterfeel, encouraging regular use and maintaining healthy skin condition.
Contains Shea Butter	An emollient to help condition the skin.
Contains Allantoin	Supports the moisturisation effect and helps condition the skin.
Contains Glycerin	A skin moisturiser to help prevent drying and leave the skin feeling smooth after use.
Perfume-free and Dye-free	Designed for people who are sensitive to perfumes and dyes and who prefer products which do not have these added.
ECARF Certified¹	This product meets the European Centre for Allergy Research Foundation (ECARF) criteria for being well tolerated by sensitive skin. ecarf-siegel.org/en/about-seal .
Skin Hypoallergenic	Dermatologist tested to verify and confirm this product has very low allergenic potential and is designed for sensitive skin.
Suitable for food facilities	Product has been independently evaluated and trace amounts of the product are not expected to cause adverse toxicological effects. Food handlers should use product only in accordance with label instructions and product should not come directly into contact with food or items that contain food.
Proven glove compatibility	Suitable for use with latex, vinyl and nitrile gloves.
Silicone-free	The product will have no adverse effect if in contact with surfaces prior to the application of paint or surface coatings.
Compatible with rubber production processes	Independently tested at the German Institute of Rubber Technology (DIK) and proven to have no negative effect on the vulcanisation process.

Stokolan® Light PURE

Skin Conditioning Cream

STATUTORY REGULATIONS

This product is a cosmetic product regulated by and complying with Regulation EC No 1223/2009 (as amended) on Cosmetic Products.

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from www.debgroup.com/msds.

SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature. For shelf life after opening: see indication on packaging.

SUITABLE FOR USE IN FOOD HANDLING AREAS

Stokolan® Light PURE as per usage instructions, does not influence the quality and safety of foodstuffs.

The product has been assessed using the HACCP hazard analysis methodology. The following critical control points were identified and are controlled as follows -

1. Impact on smell and taste of foodstuffs - The formulation has been independently tested according to 'Sensory Analysis - Methodology - Triangle Test BS EN ISO 4120:2007' and proven to not have the potential to taint food.
2. Possible toxic effects of ingredients - An independent oral toxicological evaluation was performed and concluded that any foodstuffs which may contain trace amounts of the product, are unlikely to cause adverse toxicological effects.

CERTIFICATIONS

ECARF Seal of Quality

This product meets the European Centre for Allergy Research Foundation (ECARF) criteria for skin tolerability. Cosmetics can receive the seal of quality for meeting the following criteria:

1. Quantitative risk assessment of the product ingredients with respect to their potential for skin sensitisation, taking into account their specified conditions of use and amount.
2. Medically supervised clinical trials by volunteers with atopic dermatitis.
3. Approved system of quality control management.

For more information go to <http://ecarf-siegel.org/en/about-seal>.

QUALITY ASSURANCE

SC Johnson Professional skin care products are manufactured in facilities which follow cosmetic Good Manufacturing Practice (cGMP) requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in our high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

INGREDIENTS

AQUA (WATER), DICAPRYLYL ETHER, CETEARYL ALCOHOL, ACRYLATES COPOLYMER, GLYCERIN, CETEARETH-20, PHENOXYETHANOL, BUTYROSPERMUM PARKII (SHEA) BUTTER, DIAZOLIDINYL UREA, TITANIUM DIOXIDE, ALLANTOIN, SODIUM HYDROXIDE, TETRASODIUM IMINODISUCCINATE.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Independent dermatological tests conducted to assess the skin compatibility of the product using voluntary test persons in occlusive, 48 consecutive hour application models, shows the product to be non-irritating in use

Toxicological Approval

The product has been assessed by an independent toxicologist and has been declared to be safe for use on the hands, face and neck of adults aged 16 and above.

Skin Hypoallergenic Risk Assessment

The formulation has been assessed by an independent toxicologist to be formulated in such a way as to provide either minimal or no risk of provoking allergic skin response and thus meets the requirements for being described as 'Hypoallergenic' (Delphic Solutions Ltd, UK).

Allergy sufferers should always refer to the ingredient list before using the product.

COMPATIBILITY TESTS

Glove Compatibility

In independent testing, the use of Stokolan® Light PURE in combination with reputable latex, vinyl and nitrile gloves does not have any deleterious effect on the glove tensile properties using BS EN 455-2:2009 test methodology.

Rubber Production Process Compatibility

In testing conducted by the Deutsches Institut für Kautschuktechnologie (DIK) in accordance with DIN EN ISO/IEC 17025, the use of Stokolan® Light PURE in rubber production process does not influence the cohesive strength of rubber.

EFFICACY TESTS

Skin Hypoallergenic

The perfume -free and dye-free formulation did not demonstrate a potential for eliciting dermal irritation or sensitisation after conducting an independent 6 week Repeat Irritation Patch Test (HRIPT).

Allergy sufferers should always refer to the ingredient list before using the product.

Skin Hydration Test

The moisturising properties of Stokolan® Light PURE were assessed via application of the product twice daily at an interval of approx. 5 hours to the forearm skin of healthy volunteers over a 4 day test period. The starting values for the skin moisture were determined in the morning by means of the Corneometer®, before the first application, and then again on the morning of the subsequent day.

Results show that under repeated usage conditions, Stokolan® Light PURE provides the skin with consistent levels of increased hydration; over 1.5 times more than untreated skin. This demonstrates that the skin moisture is clearly improved by Stokolan® Light PURE when used regularly.

4 Day Skin Hydration Test
