

Sometimes the smaller things in life make the biggest difference

Pod™ Petite is a revolutionary sanitary disposal system that answers the very sensitive question faced by women; how to dispose of sanitary products hygienically, responsibly and easily?

ELEVATE YOUR WASHROOM

Add a little inspirational design to the most overlooked bathroom item

CREATED BY WOMEN FOR WOMEN

Women can now enjoy the first-class washroom experience they deserve

HYGIENICALLY SUPERIOR

No exposure to waste – safe to use, safe to service

SUSTAINABLY SOUND

Pod™ Petite is durable, fully recyclable and includes degradable liners too

Pod™ Petite – a powerful answer to a delicate problem

Discover why women prefer Pod™ Petite

- A considerate design women truly appreciate
- Safe and simple to use – discreet, reliable and protected
- Touch-free and manual models
- Eliminates blood-borne cross-contamination
- Unique opening – no more unsightly surfaces and trapping of sanitary waste
- Compact and unobtrusive

Redefining smart servicing

- A little revolution in sanitary waste service that will delight your cleaning staff
- Zero exposure to waste – no more open bags
- Labor-saving – easy to install and service
- Reduced labor costs with a streamlined service process
- Impressive 1.85 gallon capacity

Pod™ Petite Liner Cassette – quick, simple 3-step service process:

- 32 liners per cassette refill
- Perforated continuous liner

- Zero exposure to waste – total protection
- Flexible, strong and tear-resistant

- Made with 20% recycled materials and degradable plastic
- Gently scented
