

Combined Disinfectant Cleaner

A powerful disinfectant designed to do the total job - cleans and disinfects bathrooms, toilets and floors. Leaves a distinctive citrus-mint fragrance.

DIRECTIONS

For general floor and bathroom cleaning dilute at a ratio of 1:100 - 1:50 (1 - 2% soln, 10-20mls per litre) with warm or cold potable water.

In areas where contamination is suspected, a ratio of 1:20 (5% soln, 50mls per litre) should be used.

For toilet bowls and urinals application may be used undiluted; spray or pour onto surfaces then brush and flush.

GOOD PRACTICE

Under Good Practice Protocol diluted solution of this product as stated provides general biostatis using internationally recognised antibacterial agents with a recommended minimum contact time of 10 minutes. At 1% concentration this product provides 100PPM QAC.
