

Moisturising Flowing Hand Soap

WILD LAVENDER produces a smooth, soft and creamy lather that cleans hands well and keeps them moist and supple. It is a gentle cleaner, and soft on hands. It contains lanolin which imparts natural skin conditioning properties, and has an anti-bacterial agent. Also suitable as an all over shower gel and body wash, or as a high-foaming bubble bath.

DIRECTIONS

Apply a small quantity onto hands directly from the dispenser. Rub hands together for a smooth lather and rinse off. Repeat if required.

For use as a shower gel or body wash, dispense a small amount for an all over foaming lather and rinse.

As a bubble-bath add 30-50mls directly to bath water and bubble-up as needed.
