CELLARING : Drink now!

ALCOHOL : 12.5%
PH : 3.31
T.A : 6.75

WINEMAKING NOTES

An idyllic vintage in 2022 allowed us to delve deeper into the creation of a style of wine that suited our hot summers and mild winters. A frisky blend of Grenache, Shiraz and Tempranillo that captures the vibrancy and crispness of the estate. Made to be served slightly chilled in the summer months this wine compels due to its life in the glass and the intense aromatic profile. The 3 components were fermented separately, the Shiraz being 100% whole bunch and the Tempranillo being 100% whole berry to provide further layers of complexity. Picked earlier to produce a lighter framed and lower alcohol wine that compliments a large range of food stylings and is conducive to our Mediterranean climate.
