ALCOHOL : 13.7%
PH : 3.69
T.A : 6.03
RS : dry

WINEMAKING NOTES

An ideal lead up to the harvest of V22 with a cool summer and no rain. A hand harvested parcel of our polyclonal Tempranillo was cold soaked, open fermented and then pressed to older French oak puncheons for 6 months maturation. Minimally fined with non-animal derived agents and bottled early to retain freshness and vibrancy.
