**ALCOHOL :** 17.5%  
**PH :** 3.27  
**T.A :** 6.8  
**RS :** 258

### WINEMAKING NOTES

The brown muscat is a small 2t parcel purchased from the Carter family in Carbanup River, the oldest and best Brown Muscat in the region. Hand picked, crushed into an open top fermenter and allowed to ferment for roughly 10 days before fortification with Aravina distilled spirit (78% A/V), this is matured in old French oak barrels for many years to come. We blend this with a small component of 60 year old Frontenac from the Swan Valley.
