## Guitar and Ukulele Arrangements

by Denise Gagné

Edited by Matthew Dane Peavoy

### Notes to the Teacher:

The numbering in this collection corresponds to the song number in the Musicplay Teacher's Guide and the Musicplay student books. If a number is missing, it is either for a listening selection in the teacher's guide or is unplayable on ukulele and guitar. When we felt the key a song was recorded in made it difficult to play, we have given the arrangement in the more playable key. In most cases, the first key given is easier to play on ukulele and the second is more conducive to guitar.
