4. I'm Glad I'm Back at School

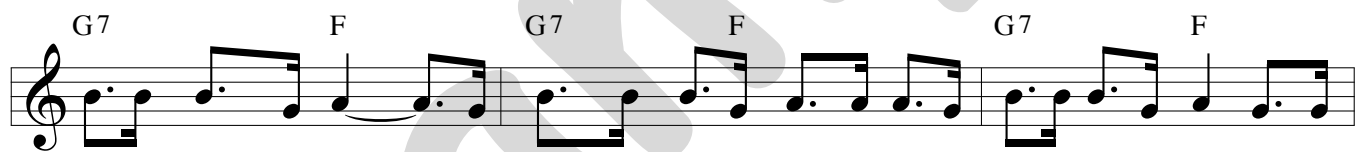

I did-n't miss the home-work and I did-n't miss the tests, but I'm glad I'm back at

school. I did-n't miss the lit-tle kid, the one who was the pest, but I'm glad I'm back at

school. There's lots of kids I like, lots of friends I want to see, My teach-er is-n't half as sca-ry

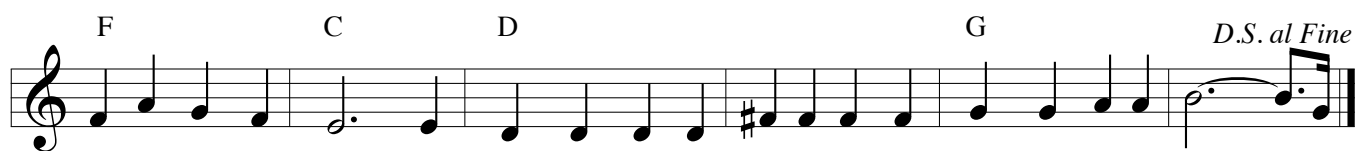

as I thought she'd be. I think Grade 3 is going to be as eas-y as can be, and I'm

glad I'm back at school. Sum-mer was a lot of fun, I slept in eve-ry day.

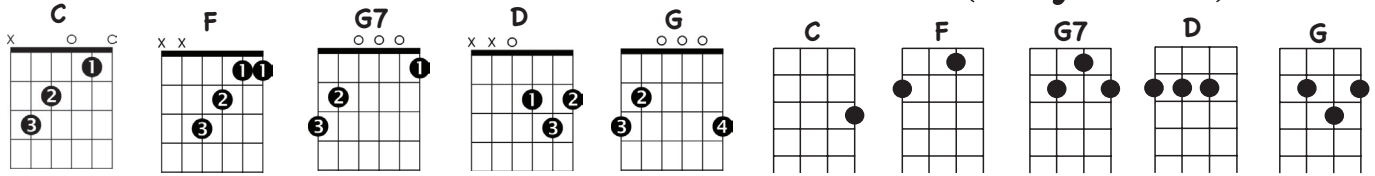

Rode my bike to vis-it friends, and all day we would play. My moth-er said we drove her

right a-round the bend. I guess that's why our hol-i-day has now come to an end. I
