I am a rooster and I turn my head,
Turn my head, turn my head!

I am a rooster and I turn my head,
Can you do it now?

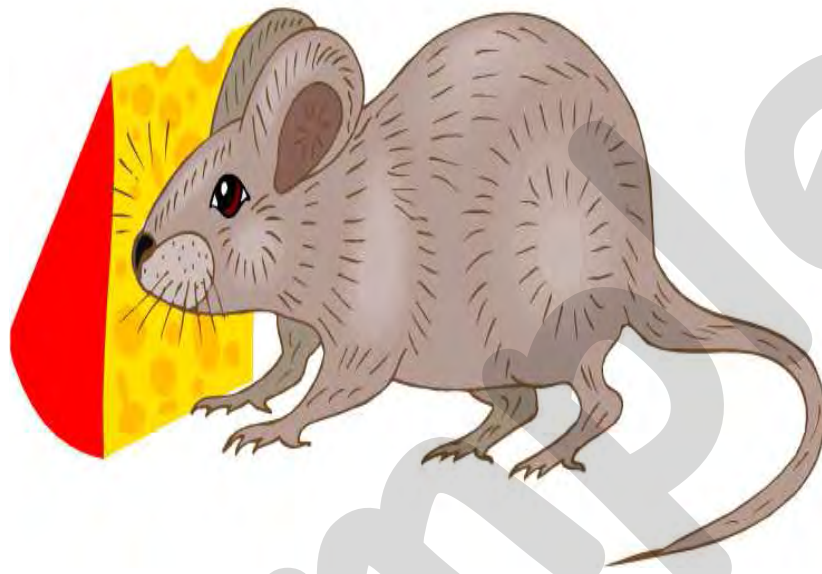

I am a horse and I bend my neck,
Bend my neck, bend my neck!

I am a horse and I bend my neck,
Can you do it now?

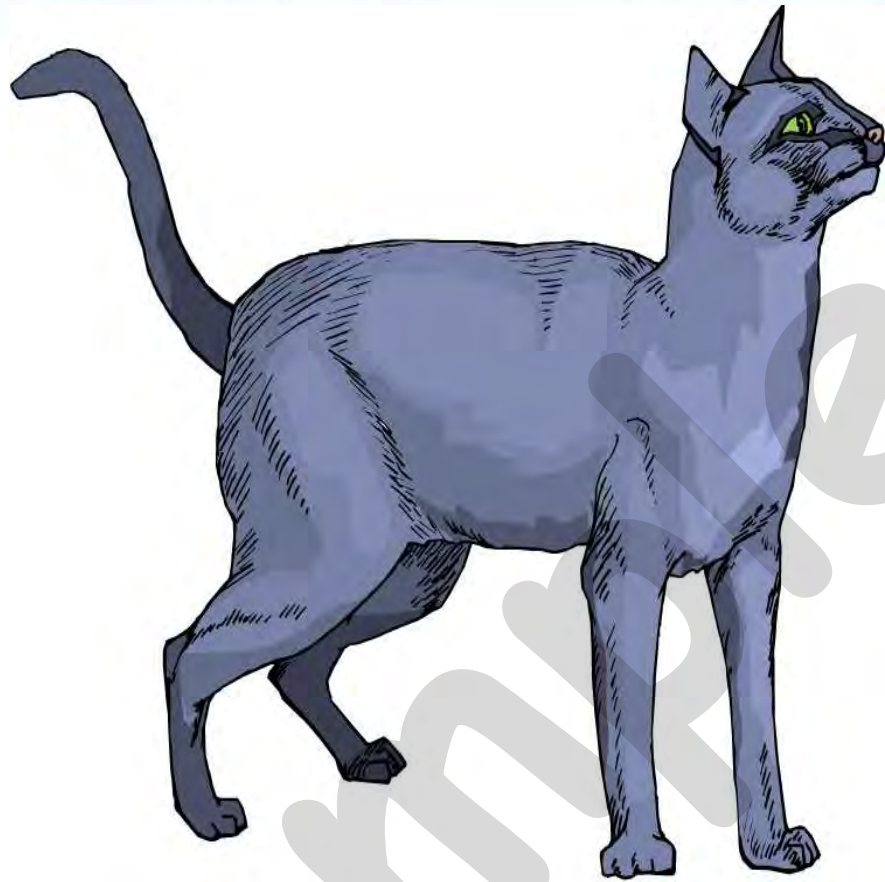

I am a cow and I moo-ve and sway,
Moo-ve and sway, moo-ve and sway!
I am a cow and I moo-ve and sway,
Can you do it now?

I am a mouse and I scurry around,
Scurry around, scurry around!

I am a mouse and I scurry around,
Can you do it now?

I am a cat and I arch my back,

Arch my back, arch my back!

I am a cat and I arch my back,

Can you do it now?

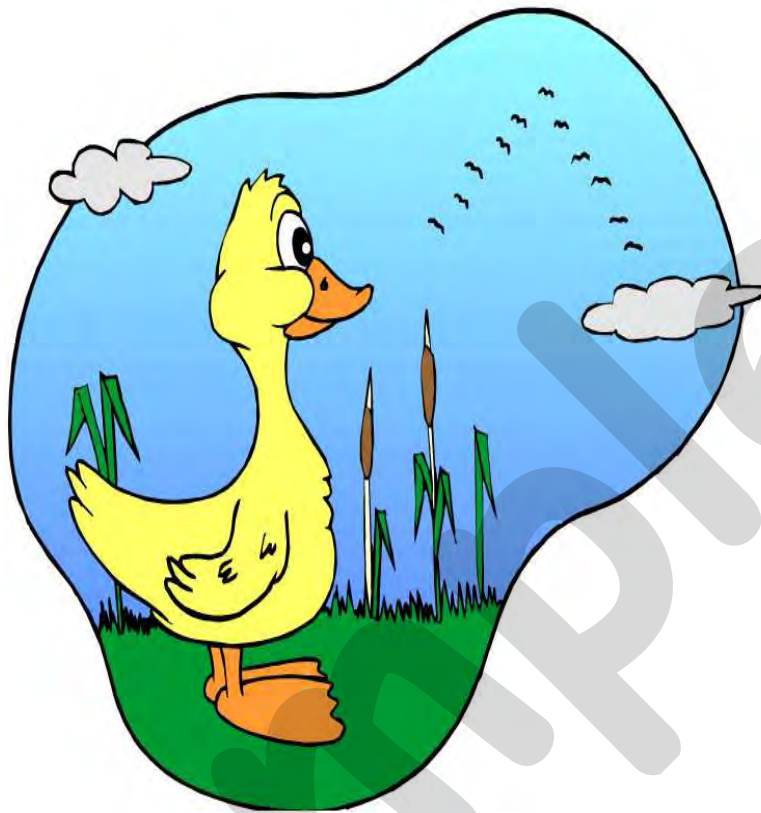

I am a dog and I wag my tail,

Wag my tail, wag my tail!

I am a dog and I wag my tail,

Can you do it now?

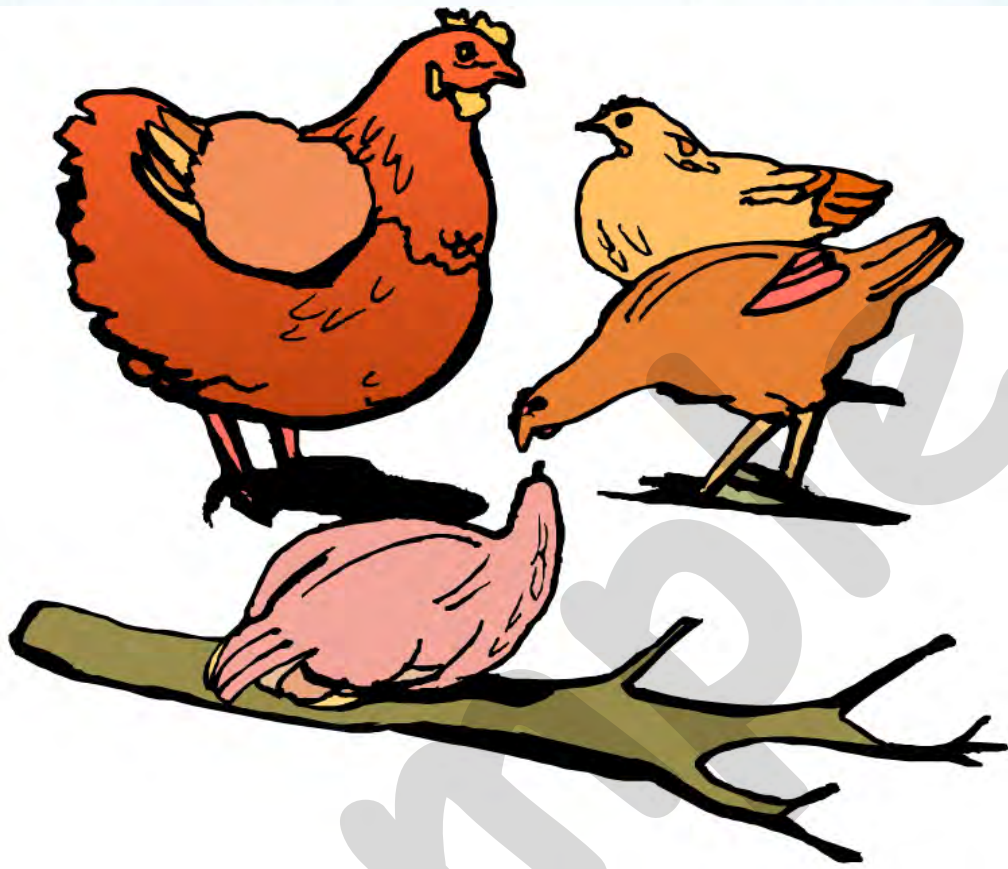

I am a duck and I flap my wings,

Flap my wings, flap my wings!

I am a duck and I flap my wings,

Can you do it now?

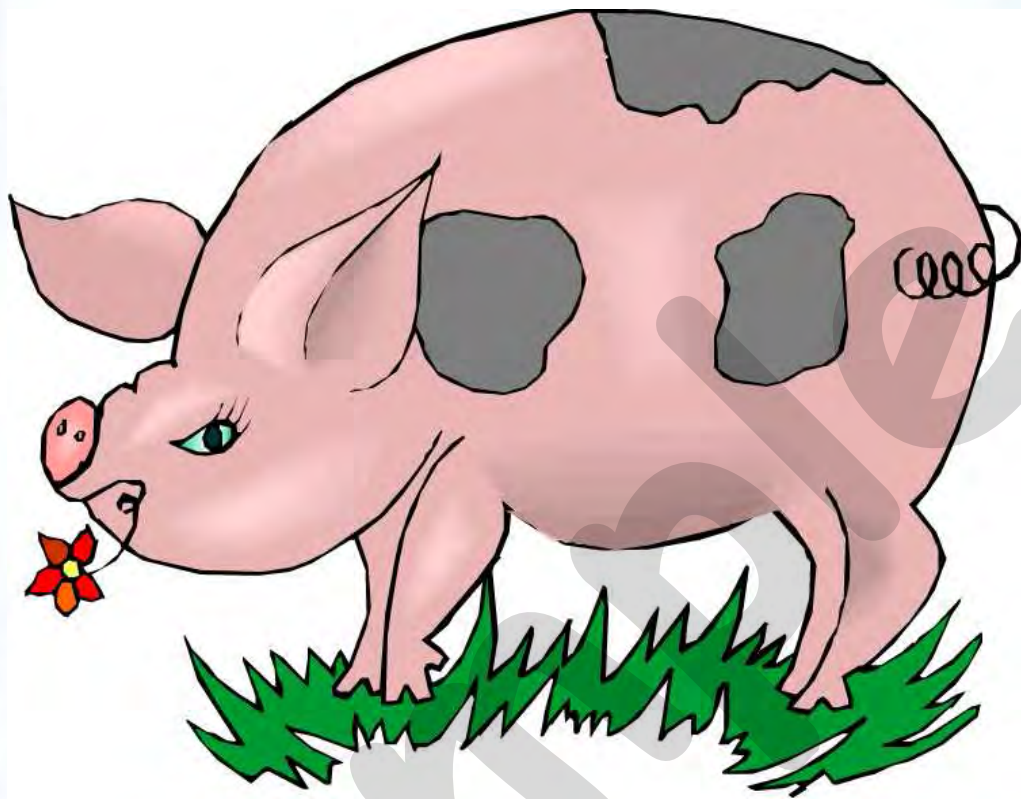

I am a chicken and I scratch the ground,
Scratch the ground, scratch the ground!

I am a chicken and I scratch the ground,
Can you do it now?

I am a donkey and I kick my legs,
Kick my legs, kick my legs!

I am a donkey and I kick my legs,
Can you do it now?

I am a pig and I sniffle all day,
Sniffle all day, sniffle all day!

I am a pig and I sniffle all day,
Can you do it now?

Let's sit down and put our hands in our laps,

Hands in our laps, hands in our laps!

Let's sit down and put our hands in our laps,

We have done it now!
