

'SKEET-R-SHIELD™

Mosquito Repellent Canister

How to Use Maggie's Farm 'Skeet-R-Shield

Step 1: Remove Lid

- Remove the lid from the canister to activate. Activate and place about an hour before people congregate.

Step 2: Place Canister

- Place the canister on a table or similar surface, near where people congregate.

Step 3: Refresh Canister

- About every three hours during use, put the lid on and shake the canister, then remove the lid again.

Note: To extend the effective life, replace lid tightly when not in use.
