Total100.00%
*Corn cobs, White mineral oil,
Wintergreen oil, Silica
*When used as directed

Portable & Reusable Area Mosquito Repellent
Easy-To-Use
PATIOS • DECKS • POOL AREAS • CAMPSITES

Protects Up To 250 sq ft.

Remove lid and place canister in area to be protected from mosquitoes.

Replace lid when not in use.

DIRECTIONS FOR USE

Ideal for patios, decks, outdoor seating areas, pool areas, picnic sites and campsites. Protects an area up to about 250 sq ft. (approx. 16'x16'). For larger areas, use additional canisters.

Remove the lid from the canister to activate. We recommend activating and placing about an hour before people congregate. Place the canister on a table or similar surface, near where people are congregating. If there is a breeze, ideally place the canister upwind from where people are congregating. About every three hours during use, put the lid on and shake the canister, then remove the lid again. To extend the effective life, replace lid tightly when not in use. Shake the canister before removing lid and reusing.

Granules may also be spread over the ground, to cover about 250 sq ft.

PRECAUTIONS AND NOTICES:

Keep out of reach of children. Avoid contact with eyes and skin. Handle in areas with adequate ventilation. If product gets in eyes, flush with water for at least 15 minutes. If on skin, wash with soap and water. If irritation persists, or if more than an incidental amount is swallowed, seek medical attention. If seeking medical treatment, have this label with you.

Keep out of lakes, streams and ponds.

Maggie's Farm Ltd represents that this product is exempt from registration pursuant to FIFRA 25(b). This product is not EPA registered.

STORAGE & DISPOSAL

Store canister tightly closed in a cool, dry area. Avoid exposure to extreme temperatures. Once fragrance is significantly reduced, discard spent granules in trash. Offer canister, lid and sleeve for recycling.

Limitations of Liability

Maggie's Farm Ltd makes no warranties of merchantability or fitness for any purpose except expressed on this label. Buyer assumes all responsibility for safety and use not in accordance with label directions and precautions.
