

HOW TO MEASURE FOR TUCCI MINI CHAPS

The measurements must be taken wearing breeches and socks that you normally use. Please refer to size chart to select proper sizing by body height and calf size.

Calf Size: While standing, measure the circumference of the calf at its widest point, keeping the measuring tape horizontal and neither too tight nor too loose.

For questions about sizing, please contact us at hadfields@aol.com or call us at 1-800-854-RIDE.
