Charging your NEO 2

1. Connect your NEO 2 to mains power using the included Charging Cable and USB Charger.

2. The Charging Indicator LED will light up to show that your NEO 2 is charging.

3. Once your NEO 2 is fully charged, the Charging Indicator LED will switch off.
   This will take between 3 and 5 hours to complete.

Note: If you are playing music while your NEO 2 is charging, we recommend keeping the volume no higher than around 50%.

Controlling the RGB Lights

1. After switching your NEO 2 on, the RGB Lights on both ends of the speaker will automatically switch on.

2. Short Press the RGB Light Mode Selection Button to cycle through the different modes

3. Press and Hold the RGB Light Mode Selection Button to switch the lights off.

4. Short Press the button again to switch them back on.

Using Bluetooth to play music

1. Switch your NEO 2 on using the Power On/Off Switch, the Digital Display will show the letters 'bt' and beep twice to indicate it is in Bluetooth Mode.

2. On your mobile phone, search for Bluetooth devices and select 'Bayan NEO 2' to pair with your NEO 2.

3. Once successfully paired, your NEO 2 will beep three more times.

4. You can now enjoy your music.

Pressing the Previous, Next, and Play/Pause Buttons on your NEO 2 will control music playback as if you had pressed the buttons on your phone.

The volume control on your phone and your NEO 2 are separate. For the best sound quality, set your phone's volume level to maximum, and use the volume control on your NEO to set the listening volume.

Using a microSD card or USB flash disk to play music

A microphone can be used in any of your NEO 2's different modes.

Troubleshooting

NEO 2 will not turn on
Ensure that the battery is charged - connect the power cable to NEO 2 and plug in to a laptop, mobile phone or power bank USB charging source. The charge indicator light will be ORANGE when NEO 2 is charging, and when fully charged will turn GREEN.

I cannot hear any music
Ensure that the volume is turned up on both your source device (phone / mp3 player) and also on your NEO 2. Ensure that NEO 2 does not have a 3.5mm audio cable connected to the AUX input (for Bluetooth listening), or that it the AUX cable is correctly connected for non-Bluetooth sources. Ensure that your source device has the correct output selected (for Bluetooth, select the output as 'Bayan NEO 2')

I cannot pair my Bluetooth media player with my NEO 2
For secure simple pairing to function; your Bluetooth device needs to be in close proximity to your NEO 2 (nominally within 50cm).
