

PROVIDING PURE, CLEAR, GREAT-TASTING WATER ON TAP.

Pristine Water

Puretec filter systems provide clear great tasting water removing chlorine, harmful chemicals, taste, odour, sediment, and on some models Giardia and Cryptosporidium cysts

Save Time & Money

Purified water is available at the touch of the tap - no lugging bottles and no running out. All at a fraction of the cost.

Do-it-Yourself Cartridges

Cartridges are designed to be changed yourself with ease. Saving technician call-out fees.

Easy Installation

The Filter kits come complete with all the required plumbing fittings for installation so the units are 'ready to go'.

Backup

Puretec group is a family owned Australian company since 1989. The Basic Puretec systems are covered by a 1 year warranty.
