LIJIE T1600

Large Format Trimmer

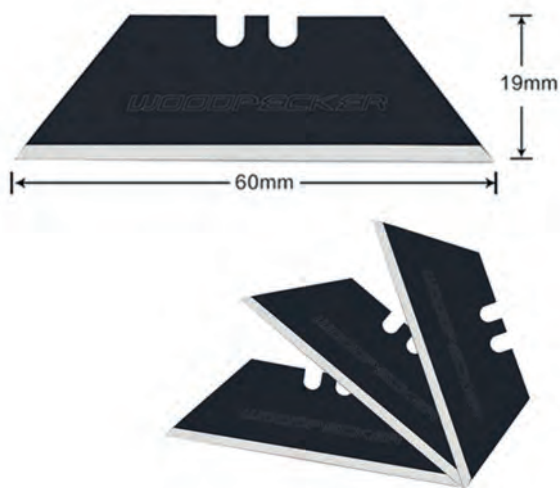

Reliability meets performance

Make safe effective trims with enhanced efficiency with the LIJIE T1600's high precision knife and safety cutting head. Its fast flick action clamp provides users with optimal clamp pressure, ensuring the security of your media.

The trimmer comes with a basket to catch your trimmings as well.

The trimmer can only be operated manually, it does not require any electrical components such as a compressor.

In addition, the T1600 comes with the ability to cut substrates of different thickness, such as foam with it's adjustable blade depth feature.

Specifications:

Max Cut Width	1600mm
Type of Blade Used	Standard Utility Blade
Dimension (mm)	1800 x 510 x 870
Weight	22kg

Easily Replaceable Parts

With the LIJIE T1600 Large Format Trimmer, you can easily find spare parts for your consumables.

The T1600 utilizes a standard utility blade cutter that is easily available in any hardware store.

Safety Feature

The T1600 Large Format Trimmer, is equipped with an ergonomic protective cover. This prevents injury and easy usability as well.
