Octahedron

Wholesale €136

This mathematically inspired 8 sided lamp is simple sophistication, yet take a look from another angle and this many faceted lamp transforms itself into various versions of itself, often looking like a completely new lamp. Fitted with an LED bulb paired with a choice of 3 striking colour flexes, Hot pink, Gold or Turquoise. Roughly 25cm in diameter and weighs 1.1 kg. RRP €300.

Dodecahedron

Wholesale €182, 205

Evolved from a classic terrarium, this handsome twelve-sided lamp looks as smart switched off as on. Flick the switch, though, and you'll find a harmonious symmetry of light, glass and shadow, via the low watt LED bulb and choice of 3 striking colour flexes, Hot pink, Gold or Turquoise. Come in 2 sizes 22 or 24cm in diameter and weights 1.4 or 2kg. RRP €400, 450.

Tesseract

Wholesale €173

A 4th dimensional cube, Tesseract is a cube within a cube. A perfect shape for our contemporary lamp, this pristine glass structure combines symmetry with intrigue and beauty. This sculptural Tesseract Lamp will lend a cosy atmosphere to any space using an LED bulb paired with a choice of 3 striking colour flexes, Hot pink, Gold or Turquoise. The Tesseract stands 23cm square and weights 2.5kg. RRP €380.

*All lamps now come with a porcelain bulb holder in order to improve the over all look of the lamps and to reduce the amount of plastic being used in their production. Each one comes with a 3 watt LED bulb. They all come with a choice of 3 fabric flex colours, pink, Gold and Turquoise. All electrical components are CE certified.
