

# Pick a Plant Fun with Airplants Workshop

Common airplant selection

T. funckiana, T. caput-medusae, T. bulbosa,  
T. Cotton Candy, T. ionantha, T. stricta

## Fun with airplants

These packages are ideal for everyone who are new or wishes to know what airplants are.

We'll include a short introduction presentation in all packages. The presentation would cover what is airplants, how to care for airplants and how to use airplants as gifts or decoration.

There'll also be an airplant mini project for participants to complete and bring home.
