80-It electric tilting braising pan with Duomat cooking surface and water tap, energy control and thermostatic control, (Watermark) -Australia

Short Form Specification

Item No.

Infrared heating elements positioned below the cooking surface. Duomat cooking surface for roasting, browning, stewing, preparation of sauces, sautéing, boiling and braising. Can be installed on cantilever systems. Installation on wheels is not available. Includes mechanism to manually tilt the pan and double-skinned lid in stainless steel. Cooking temperature can be set through thermostat and the energy input through an energy regulator. Exterior panels of unit in stainless steel with Scotch Brite finish. Right-angled side edges to allow flush-fitting junction between units

Main Features

- Bratt pan ideal for sautéing, poaching, steaming, boiling, stewing and damp cooking.
- Duomat cooking surface allows to perform wet and dry cooking alternatively.
- Double-skin well and lid to reduce heat dispersion.
- Infrared heating elements mounted below the cooking surface.
- Lid is double-lined, insulated in 20/10 Stainless steel.
- IPX5 water resistance certification.
- Actual cooking temperature setting through adjustable thermostat.
- Working temperature can be set from 120 °C to 300 °C.
- Energy input controlled by energy regulator.
- Heat-insulated: limited heat radiation and low energy consumption.
- Manual tilting mechanism to facilitate pan emptying.
- Smooth large surfaces, easy access for cleaning.
- The special design of the control knob system guarantees against water infiltration.

Construction

- Cooking surface with *Duomat* bottom: a 10 mm-thick alloy obtained from the combination of 2 different stainless steels for better thermal stability and corrosion resistance.
- All pan internal surfaces round and polished for better hygiene.
- All exterior panels in Stainless Steel with Scotch Brite finishing.
- Model has right-angled side edges to allow flush fitting joints between units, eliminating gaps and possible dirt traps.
- Usable capacity of the well 66 liters.
