

# Primus Condenser Dryer

**NDC**

10 KG

The largest and fastest professional condenser dryer.

Primus presents the only professional condenser dryer on the market able to dry 10kg per load, in just 60 minutes. Get the most of a unique product for your laundry: easy-to install, compact, with maximum throughput and the legendary Primus performance.

## FEATURES

- Largest capacity of the market for a condenser dryer (10kg).
- Fastest drying program on the market: 60 min (3ph) and 95 min (1ph).
- Electrical heating both 3ph and 1ph.
- Extra large 6 way-out condensing unit for highest evaporation rate.
- Drying time matches washing time, as similar operational time is a must for optimized throughput.
- Galvanized steel cylinder.
- Control 45° front.
- Wide door opening of 180° for easy loading and unloading.
- 3 year warranty.
- No installation cost, no gas escape needed.
- 6 auto-sensing and 2 time dry cycles.
- 3 temperatures & 3 dryness levels.
- 7 segment display.
- Build-in WiFi antenna.
