

CAR COVERS AND SHELTER

Bull-bar measurements for Custom Covers

Dear Customer:

In order to provide you with the best fitting custom cover possible for your vehicle more information is needed. Please fill out the measurement form below

Grill Guard / Push Bar Dimension Sheet

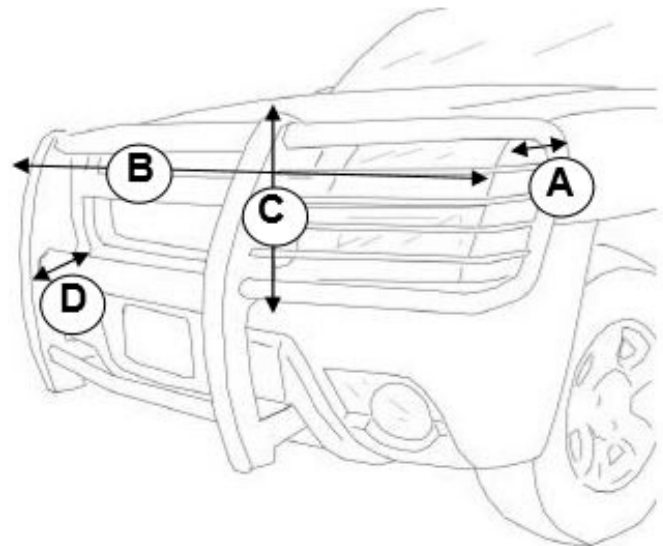

Does the guard wrap around the headlight?

 If yes, then A - measure from edge of
headlight back to guard edge

 B - Width of guard from side to side

 C - Height from top of bumper to top
of guard

 D - Front of bumper to front of guard

Name: _____

Vehicle: _____
