

ULTIMATE COMFORT REUSABLE MASK

Size Guide

MASK SIZE	HEAD CIRCUMFERENCE	UNDER CHIN TO NOSE
Kids	45-51cm	11,5cm
Adults	53-57cm	14cm
Adult Large	53-57cm	15cm
Adult XLarge	56-61cm	15cm

Ultimate comfort reusable face mask with is made of nylon spandex base fabric, lazer cut for ultimate comfort and all day use. The top fabric is poly spandex, printed via sublimation. The front section has a pocket for filter fabric insertion, this can be added or removed at your discretion so that the mask can be washed. Both fabrics do not absorb moisture and are ideal for creating a barrier to avoid contamination, Please note your filter fabric will determine the rating of your mask. Please see technical specification, which also advises how the mask should be worn.
