

TERRA  
ARMA

LUXURIOUS HARD-USE CLOTHING

GOVERNMENT SALES

# Terra Arma Government Catalog

**About Us:** Terra Arma's mission is producing the highest quality, hard-use clothing on the planet. We've designed every aspect around our end users, and their requirements. We don't compromise on our quality, for anyone. Our clothing is crafted with the military in mind, and the grueling conditions they routinely encounter.

We offer customization to all military purchasers. Our products have been tested and perfected. Our proprietary fabrics are selected for each product, individually. Color and printing options such as silicon injection, hi-vis reflectivity, and TPU/PVC add additional style and utility to an already rugged high quality garment.

To provide the most effective experience possible we ensure a positive environment with our team, drawing on their varied experiences & diversity. We've also committed to giving back to the veteran community, and pledge a portion of our proceeds to deserving charities.

**How To Get Started:** Terra Arma offers multiple options for purchasing. These include GPC (Gov. Credit Card), via contracting offices (BPA / IDIQ), as well as other methods as needed. Some products are available through our vendors, including: ADS, Noble, Darley, Arizona Industries for the Blind, and VibrantWorks. If your order is ready or you have additional questions please feel free to reach out to:
