Agile Desks

New Zealand's most versatile workstation system – that's why we call it 'Agile'. Agile's understated simplicity allows users to alternate between seated and standing work positions.

FEATURES

- Commercial-grade 25mm construction finished in melamine with 2mm PVC edge.

- Frames are available in two configurations single and shared with your choice of powdercoat finish.

- Compatible with Studio50 screens (with or without cable management).

- Optional cable trays are available.

- Winder: Handle folds away when not in use.

- Electric: Smooth silent path - so no co-worker disturbance or irritation.

- Electric 2 column: Single motor and digital height readout with 4 point memory.

- Electric 3 column: Twin motor, anti-collision protection, easy install with folded leg system and digital height readout with soft-touch 2 point memory handset.

* Height measurements include worktops.
