

Anvil Bar Leaner

Assembly Instructions

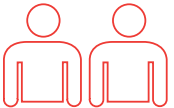

Tools Required: Powered Screwdriver

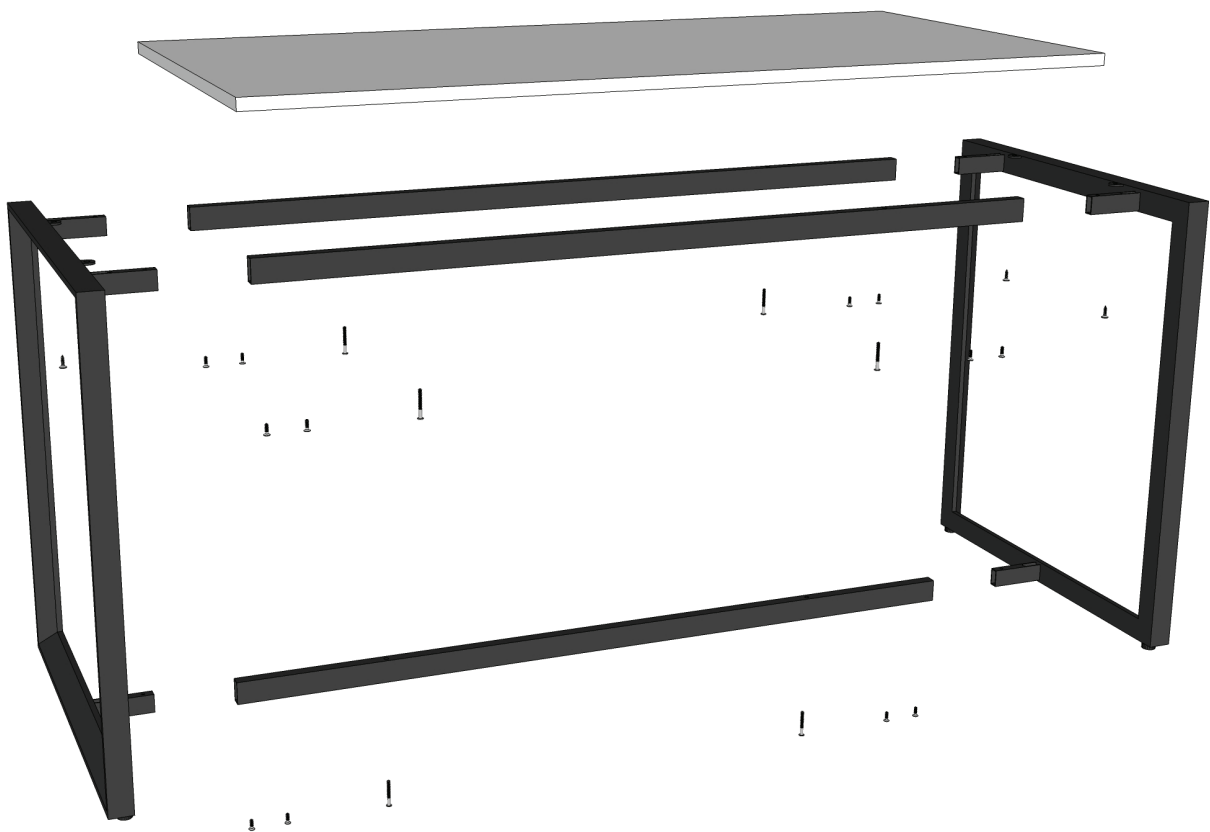

Anvil Bar Leaner

Assembly Instructions

- To prevent possible scratches or damage, assemble the bar leaner upside down on a soft surface such as a blanket, carpet or packaging.
- Attach legs to the top assembly by using bolts, spring washer, flat washer. Tighten using the allen wrench.

**Recommended
2-person Step**

Step 1

Loosely assembly frames with rails together.

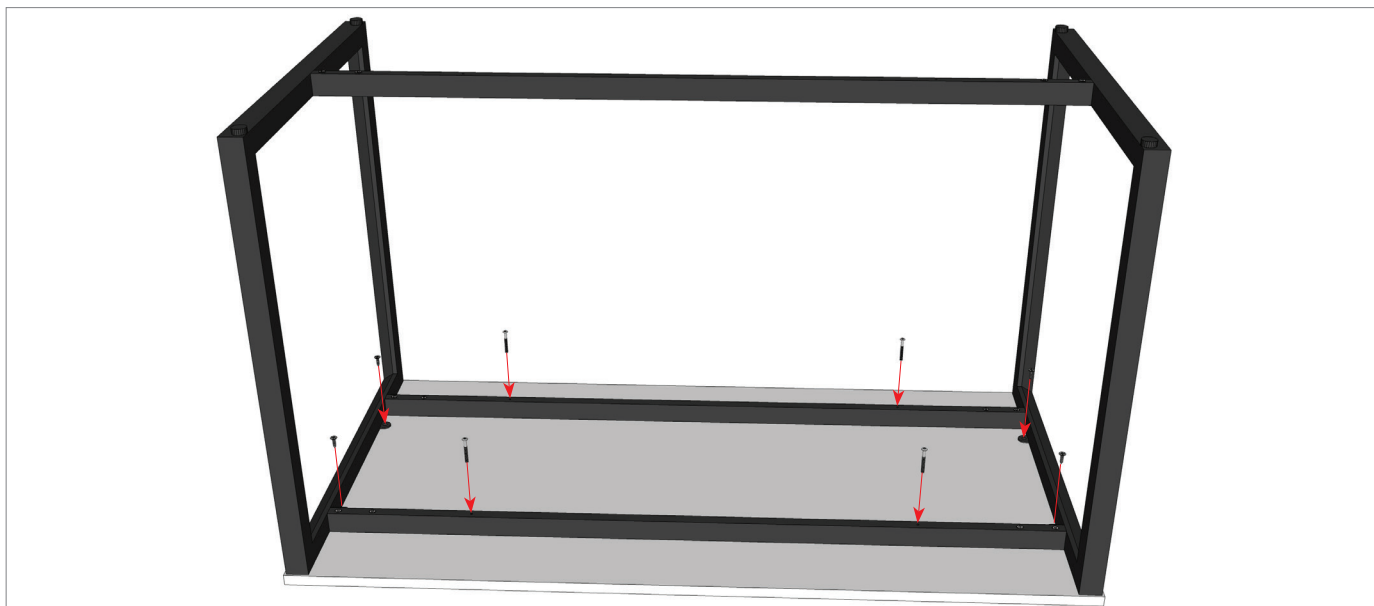

Step 2

Fully tighten frames to the rails with provided screws.

Step 3

Fix bar leaner frame to worktop, allowing for a 5mm overhang on all sides. Fully tighten with provided screws.

Completed

Using two people, carefully set the bar leaner upright and position.
