Tests were performed with an SRI 8610C Gas Chromatograph, calibrated using Restek Three-Component Cannabinoid Reference Standards. I attest that this test was performed by me and that the information in this report is accurate and based on my observations. This report and all information herein contained shall not be reproduced, except in its entirety, without the expressed consent of Apex Labs. This report is for informational purposes only and should not be used to diagnose, treat, or prevent any medical related symptoms. Due to many factors outside of Apex Labs control, results may vary. Results are only for the samples described above, as supplied to Apex Labs. The
