

DOLPHIN

Blueback Drive, Nanoose Bay

Skill level: All divers.

Access: Dolphin has parking for up to two cars. Tyee Cove is a short drive away and has a portable toilet, changing room, and picnic table. Water access is easy with one entry and exit point. High tide is recommended for an easier entry.

Dive: Descend at any point and

follow the gradient to the right. Divers usually turn around and head back to the same entry/exit point. Check all the boulders and rocks for octopus.

What to see: Anemones, rockfish, gobies, perch, kelp n' critters, nudibranchs, tube snouts, and crabs.

Tips: Advanced divers with appropriate air planning and navigational knowledge can continue all the way to Tyee Cove and complete a one-way dive.

Note: This is a residential area, so please keep noise to a minimum. We do not encourage hunting at this site.

Important: This map is intended as a guide only. Appropriate briefing's, training, and planning are strongly suggested. Professional guided dives are available.
