

SPECIFICATION

Camera	
Product name	3MP Outdoor Waterproof Camera
Operation mode	WATASHI IoT
Main chip	T31AL
Image sensor	SC3235, 1/2.7 inches CMOS
Lens	3.6mm fixed
Resolution ratio	HD: 2316H*1308, SD: 640*360
Minimum illumination	0.02Lux@2.0, AGC ON, 0Lux with IR
Infrared Light	20 pcs IR Led
Floodlight	2 pcs floodlight
Black and white night vision	30meters
Full color night vision	12meters
Switch mode	Alarm automatic switching / manual switching
Functions	
Image coding and decoding	H.265
Video system	3MP@15fps
Video mode	HD / SD
Video Bit Rate	HD: 1Mbps, SD: 384Kbps
Picture flip	Support
Pan & Tilt PTZ	horizontal 355 degrees, Vertical 90 degrees
Audio	Support Two-way audio
ONVIF	Not Support
Wi-Fi transmission	2.4G, IEEE802.11 b/g/n protocol, with support for WEP, WPA, WPA2 encryption mode
RJ45 network interface	10 / 100M RJ45 network interface
POE power transmission	Non-support
Motion detection	Support
Moving objects tracking	Support
Remote viewing / playback	Alarm push / real time viewing
Local storage	Extend / support 128G TF Card, Support Cloud storage
One-key restore default	Support
Other Parameters	
Power Supply	DC12V 2A, <24W
Working temperature	-10°C~60°C
Working humidity	0% ~ 90% RH
Shell material	PVC
Appearance size	158*95*132 (mm)
Packet size	240*185*115 (mm)
Weight	690g (Includes power supply)
Installation mode	Wall hanging
Water proof	IP65

FEATURES

- 3MP high-definition pixels
- Infrared 30 meters infrared night vision, Full color night vision 12 meters
- Two-way voice real-time intercom, can listen and speak, communicate freely;
- Support motion detection, APP alarm push;
- Support 2.4GHz Wi-Fi connection
- Support 128G TF card storage and cloud storage;
- Power supply: DC12V 2A (Included)

DIMENSION
