

## SPECIFICATION

Product model	2 Way Smart Light Switch
Power supply	Live wire Neutral wire
Input voltage	100-240V AC 50-60Hz
Maximum output power per channel	800W
WiFi standard	802.11 b/g/n 2.4G
Connecting method	Wi-Fi
Control method	APP/WiFi/voice control
Support system	Android/IOS
Housing material	PC flame retardant material
Panel material	Tempered glass
Wireless power consumption	≤0.3W
Working humidity	≤80%
Operating temperature	-40°C~85°C
Panel size	120*72*34mm
Carton size	140*100*40mm
