

WIOT5004Z Smoke Sensor

FEATURES

1. Zigbee HA1.2 standard protocol, good compatibility;
2. Super-low power consumption ;
3. Remote hush through App;
4. Battery low power report;
5. Battery replaceable;
6. Installation tools free;
7. Mini stylish design with appearance patent;

SPECIFICATION

Color	White
Working voltage	DC3V
Static current	≤10uA
Alarm current	≤60mA
Networking	ZigBee/Z-Wave/NB-IOT
Alarm sound output	85dB/3m
Networking range	≤100M (In an open environment)
Working Environment	-10℃ ~ +50℃
Environment humidity	Max 95%RH
Dimensions	54*54*45mm
