

## WATASHI Portfolio

## ตัวอย่างผลงาน

### Our Story

We are a leader in integrated security systems from alarms to camera systems, which has given reassurance to millions of home and business owners across the country.

With developments and new product releases regularly, Watashi has the solution to your security needs. All of our products come with Watashi's limited lifetime warranty and 24/7 support whenever you're in need of assistance.

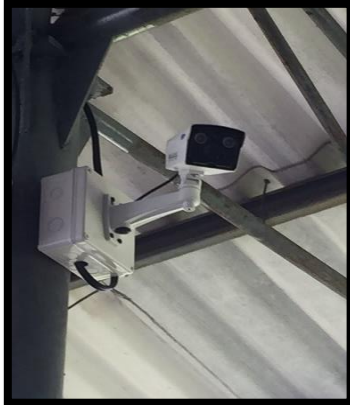

Since our inception, we have grown to over 300 resellers and counting across South East Asia, placing Watashi close to homes and businesses all across the country and the region.
