# BOBO'S<sup>®</sup>

## OUR STORY

The story about Bobo's and how it all began is as heart-warming and wholesome as our oat bars themselves. And though we may be a bit biased, it's a story we love to tell.

It was an uncharacteristically rainy day in Boulder back in 2003, so Bobo and her mom, Beryl, thought a little baking could brighten up the day. They hungered for something warm and delicious and searched the kitchen cupboards for simple ingredients to use. They found whole grain oats, a little organic cane sugar, a touch of vegan buttery spread, and some brown rice syrup. Then they mixed it all together and waited patiently at 400 degrees.

And that's when something else magical happened....
