Fortitude Dining & Living Collection

This Tasmanian Blackwood timber range is sure to impress. The timber shows brilliant variations of lighter and darker streaks in the grain. The live edge incorporates the outside of a tree and the black recess cavity allows the live edge of the timber to pop and brings a truly natural feature to the range. Its hard to sum up in photos just how spectacular this timber is.

FURNITURE COURT

The Fortitude Bedroom

Introducing the Fortitude Collection, showcasing the exquisite charm of Tasmanian Blackwood. Revel in the stunning interplay of light and dark hues within the wood grain. Each piece boasts a unique live edge, preserving the outer contour of the tree for an authentic touch. Enhanced by a sleek black recess cavity, the live edge is accentuated, imparting a truly organic allure. Capturing its magnificence in photos is a challenge, experiencing it firsthand is unparalleled.
